

PRIVACY POLICY

INTRODUCTION

This Privacy Policy provides an overview of how the Company processes your data and sets out the information that the Company must provide to you for the Regulation on the protection of our clients about the processing of personal data and the free movement of such data. By accessing our Company's website including using any of the communication channels to contact us, we consider that you have read, understood, and accepted the terms of this Privacy Policy and how we process any information you disclose to us. Moreover, you agree.

Note: We may change this Policy at any time at our discretion without any prior notice to you.

That this Policy, including any amendments, will govern how we collect, store, use, share, and in any other form process your data and your rights during our relationship and after its termination.

By applying for an account with TRIAD GROUP FX you consent to the terms stipulated in this Policy Notice, including any amendments that will govern how the Company collects, stores, uses, shares, and in any other form processes your data and your rights during the course or termination of your business relationship with the Company.

The information contained herein supersedes any information about the processing of personal data included in any of the existing client agreements and associated forms on matters covered by this Privacy Policy.

Note: We may revise or update this Policy from time to time ...the Company is the personal data processor and controller of your data about the processing activities which your data undergo as stated further below.

For this statement, personal data means any information relating to the client (data subject). processing shall mean any operation or set of operations that are performed on personal data or sets of personal data, whether or not by automated means, such as collection, recording, organization, structuring, storage, adaptation or alteration, retrieval, consultation, use, disclosure by transmission, dissemination or otherwise making available, restriction.

WHO ARE WE?

TRIAD GROUP FX, the swiftly growing ASIC regulated Multi-Asset Broker that offers investors the opportunity to have their Forex trades carried out by highly skilled Forex traders who can offer outstanding market returns in exchange for a share of the profits.

Company website: <https://www.triadgroupfx.com>

AIMS AND OBJECTIVES

To ensure our client's funds are secured and ensure their profit is delivered to them after trades and maintain fluid processes for clearing, to deliver long-term capital growth investment without the constraints of a formal benchmark, but to deliver for clients increases in capital value over the relevant indices over time.

The Company's focus remains on achieving capital growth.

We aim to participate in markets when they are rising but adopt a more cautious stance when we see risks of capital loss.

Our Four Investment Objectives -

1. Capital Appreciation
2. Current Income
3. Capital Preservation
4. Speculation

OUR COMMITMENT

We understand the importance of maintaining the confidentiality and privacy of your personal information. By entrusting us with your information, we would like to assure you of our commitment to keeping such information private. We have taken measurable steps to protect the confidentiality, security, and integrity of your personal information ... to ensure our client's funds are secured and to ensure their profit is delivered to them after trades.

WHAT INFORMATION DO WE COLLECT?

As part of the Company's client account opening procedures and ongoing obligations, the establishment of the Client's profile such as name and contact details. We may collect the same information directly from you (during the account opening procedure),

We may also collect your personal information regarding your use of our website(s), such as pages visited, frequency, duration of visit, and trading activities

We also keep records of your trading behavior, including a record of:

- products you trade and their performance;
- historical data about the trades and investments you have made including the amount invested;
- historical data about your payment activities and your withdrawal activities.

Further to the above, the Company may also request further information to improve its service to you (existing or potential Clients) or our activities (if you are our provider for trading data) under our relevant agreement, as the case may be, or comply with applicable regulations.

We record any communications in person or otherwise, that we have with you about the services that were provided by the Company to you and the relationship with you. The said recordings will be the Company's sole property and will constitute evidence of the communications between the Company and you.

USE OF INFORMATION COLLECTED

We will use, store, process, and handle your personal information. Your data (not publicly available information and already possessed by the Company without abiding with the provisions of the general data protection regulation), will be collected and processed explicitly and specifically only for the purposes that have been collected for ('purpose limitation'). At the same time, the Company must require only the information necessary about the purposes for which they have been collected.

CONTACTING YOU

We may, to provide our services to you or to administer the terms of our agreement with you, from time to time, make direct contact with you via the company mail: support@triadgroupfx.com.

The Company may also contact you from time to time to bring to your attention products or services that may be of interest to you via your account manager.

MANAGEMENT OF YOUR PERSONAL INFORMATION AND SAFEGUARD MEASURES

We have taken all the appropriate technical and organizational measures to ensure that your data is secured. Moreover, the Company has established internal educational

training for its employees to mitigate any risks that may affect your data. The employees who are processing your data are being trained to respect the confidentiality of customer information and the privacy of individuals. We consider breaches of your privacy as a top priority and the Company will enhance its internal procedures to prevent any such event

HOW LONG WE HOLD YOUR INFORMATION

We shall keep your data for as long as the Company has a business relationship with you. Once the business relationship has been ended, we may keep your data for up to one year by the laws governing the Company.

We may keep your data for longer than one (1) year for legal, regulatory, and/or any other obligatory reason. Retention periods will be determined taking into account the type of information that is collected and the purpose for which it is collected, bearing in mind the requirements applicable to the situation and the need to destroy outdated, unused information at the earliest reasonable time.

We hold personal information in hard-copy and soft-copy format. We use secure computer storage facilities for soft copies and implement a security access policy for hard copies. The Company has measures in place to protect the personal information we hold from misuse, loss, unauthorized access, modification, or disclosure.

YOUR RIGHTS

You have the right to obtain from the Company confirmation as to whether or not personal data concerning you are being processed, and, where that is the case, access to your data and the information regarding the processing of your data.

Should you find any inaccuracies you have the right to the rectification of inaccurate personal data concerning you and taking into account the purposes of the processing, you also have the right to have incomplete personal data completed, including providing a supplementary statement. You may inform the Company at any time that your personal information has changed and we will change your data by your instructions. If any change impacts the provision of our services to you, we will inform you accordingly.

COMPANY RULES AND REGULATIONS

The purpose of the Company's rules is to ensure that the company is operated efficiently. The company may from time to time alter and enforce rules and regulations, policies, and practices. The Company reserves the right to revise the Rules and Regulations from time to time or if conditions necessitate.
